About Recaro Automotive Seating:

Recaro Automotive Seating is the premium brand of Adient. At seven locations in Germany, Poland, Slovakia, Japan, Mexico, and the USA, we design, manufacture, and market complete seats representative of our core competencies of design, ergonomics, craftsmanship, robustness, lightweight construction, and first-class workmanship, under the brand name Recaro. Recaro Automotive Seating consists of two units: While Recaro Performance Car Seating offers passenger car seats for OEMs and the aftermarket, Recaro Commercial Vehicle Seating focuses on commercial vehicle seats in the OEM and aftermarket segments. Recaro Automotive Seating uses the brand Recaro under a license of the Recaro Holding. For more information, please visit recaro-automotive.com.

About Adient:

Adient is a global leader in automotive seating. With 85,000 employees operating 238 manufacturing/assembly plants in 34 countries worldwide, we produce and deliver automotive seating for all vehicle classes and all major OEMs. From complete seating systems to individual components, our expertise spans every step of the automotive seat-making process. Our integrated, in-house skills allow us to take our products from research and

design all the way to engineering and manufacturing – and into more than 25 million vehicles every year. For more information on Adient, please visit adient.com.
